Assalamu Alaikum,

Requesting Sponsorship for the GYDA Booklist Project 2019

We, Gothatuwa Youth Development Association (GYDA) is an organization functioning around the Gothatuwa locality to cater the well-being of the youth of Gothatuwa. To achieve this, we are having our 2nd booklist project which will benefit needy students in Gothatuwa locality. For the project we will be distributing around 300 book list packs for different categories of students by their grade. List of the good in each category are as follows.

- Grade 1-3: Shoe Voucher, School Bag, 6 books, Water bottle.
- Grade 4-5: Shoe Voucher, School Bag, 6 books
- Grade 6-8: Shoe Voucher, School Bag, 6 books, Compass box
- Grade 9-11: Set of Books, Compass box.

In-order to give away these packages for the students we have collected donation worth about 200,000 LKR among GYDA members and their contacts. But our total budget for this project will be around **600,000LKR** since an average cost for a package would be around 2000 LKR. So we are in short of a **400,000LKR** to complete our project.

Therefore we request you to support us by your valuable contribution so that all the students will be benefitted by this great cause. Also we appreciate and extend our advance gratitude in this regard.

Expecting a favourable response to our humble request.

Jazakallah Khair.

Yours,
M. Sirajudeen.
